

Blackburn Protest Rally

SAVE OUR VILLAGE & TREES

Saturday 18 June from 12 noon onwards

**Meet at the Morton Park Cypress Trees
(Melway 48 A-10, near eastern end of tennis courts)**

Removing the Blackburn Road level crossing will mean:

- CARNAGE – 450 TREES for the CHOP worth \$4,500,000
- POOR ACCESS to the old railway station via steep, long ramps & a dingy, dark & dangerous subway
- MASSIVE dislocation for Blackburn residents

Will Blackburn benefit?

NO WAY!

- MORE vehicle congestion on Blackburn Road
- GREATER DANGER for pedestrians, shoppers, people with disabilities and commuters
- MORE commuter cyclists causing dangerous conflicts with pedestrians along South Parade

WHO's to blame?

- The Andrews State Labor Government
- The CIMIC Group (formerly Leighton Holdings), CPB Contractors, Aurecon and Hyder Consulting, VicRoads, Public Transport Victoria and Metro Trains Melbourne

COME ALONG & PROTEST LONG & LOUD!

Bring Protest Signs, Banners, yellow ribbons and red diagonal crosses to place on the trees. Wear black armbands in mourning.
